

# Seatrium Group Country by Country Report (FY 2024)

Seatrium has submitted its FY 2024 country by country report pursuant to Action 13 of the Action Plan on Base Erosion and Profit Shifting developed by the Organisation for Economic Co-operation and Development (OECD). The graphs below represent the information extracted as part of the group's global obligations towards country-by-country reporting (CBCR) performed in 2025. The group has opted to reflect the data in graphical ratio format for GRI 207-4 sustainability reporting.

Legend:  
**BR:** Brazil, **CN:** China, **ID:** Indonesia, **NL:** Netherlands, **PH:** Philippines, **SG:** Singapore, **US:** United States of America  
**OT:** Other remaining countries not listed in each chart
